FOR IMMEDIATE RELEASE  
9 A.M. EDT, February 2008

## **AEGIS FEATURED IN TWO MAGAZINES FOR FEBRUARY 2008**

CHESTERFIELD, MO, FEBRUARY 2008: Aegis Metal Framing, LLC is featured in two separate magazines for February 2008 - Structural Engineer and Walls & Ceilings.

In Structural Engineer Magazine, Aegis contributed a case study featuring a complicated roof truss project for the University of Texas at Austin, written by Aegis' own Dave Boyd.

In Walls and Ceilings Magazine, Aegis contributed a feature article titled " The Steel Solution ", written by our own, Doug Rassel, P.E. which summarized the cold formed steel panelization process.

You can obtain a FREE copy of both articles through the Aegis website at [www.aegismetallframing.com](http://www.aegismetallframing.com) located in our Media section.

Aegis Metal Framing, LLC is the leading provider of pre-fabricated cold-formed steel truss and panel systems, and services for commercial, institutional and residential construction. Aegis provides a complete line of cold formed steel framing (also known as light gauge steel framing) including the UltraSpan® truss system, TradeReady® products (floor joists, headers, Spazzer bars) and WallSolutions™ pre-fabricated panels.
